**From Your Rep:**

CASAs:

It is so hard to believe that we are entering the second month of the year already! This week was hard for me as a CASA. There was a turn in my case that hit me hard, and after 3 1/2 years I had to ask myself if I had done enough. I doubt that I am the only CASA that has asked him or herself that question. This made me sit back and look at my case since the beginning. The many hours, the many trips to visit, the many conversations and reports, the numerous hours in court, did I do enough?

It is important to remember that you have been the ONE constant in that child's life. That alone makes a difference to them. They know that they can count on you. They might have had several foster homes, multiple case workers, but only one CASA. You.

So, I guess what I am trying to tell you and myself is that things might not have the outcome that you wanted, but you are making a difference. Keep chugging along, keep up the great work and every once in awhile give yourself a hug!

Don't forget the in-service on Domestic Violence, Feb. 3<sup>rd</sup> at 11:00 AM, at the Clarity Counseling Center, 333 Amphitheater Dr., Rockford.
