***From Your Rep:***

August is here and we all know that means that parents are doing the happy dance. Not to mention that they are also counting down the days until school starts.

Unfortunately, this can be especially stressful to foster children who might be starting a new school (again). This is a good time to check in with the children and maybe give some reassuring words to start their school year. Don't forget to touch base with teachers and other school personnel once school resumes.

A special thanks to the volunteers who helped at the Rockford City Market event on July 20th. Your service is greatly appreciated.
