From Your Rep:

Happy Spring to all!

Yes, it is already April and it seems like winter never officially came to northern Illinois this year. I am not complaining.

As you know, the CASA board is constantly trying to figure out new and effective ways to fundraise, and more importantly, recruit more volunteers. CASA's goal is to have a CASA for all children in our court system. That is a large job. Do you know anyone that would be interested? We start spring training in two weeks.

During my latest court date, the ruling for the best interest of the children was to terminate parental rights. This CASA had to keep repeating to herself: "every child deserves a safe and permanent home". Unfortunately, safe and permanent was not with their biological parent. After over three years of court dates, visits in too many places to remember and hours of conversations, it was still bittersweet. It is not over yet, according to our trusty mentors/office staff, adoption can take months! I am looking forward to that happy day. As in the words of one of the children, "I won't be called a foster child anymore".

Don't forget to check out our website about all the events coming up soon.

A situation arose last month which we would like to bring to your attention. If you are provided information, or witness some issue, regarding one of the children you represent, and this necessitates a hotline call, we encourage you to call the office and advise your case manager about the situation. Also, after you call the hotline, **BE SURE YOU DO NOT QUESTION THE CHILD** about the situation. It is important that the first person who speaks with the child is the DCFS Investigator. One of the CASAs on a case was told about possible hitting (and bruising) of the child to whom that CASA is assigned. The CASA did go to see the child, to check out if there were bruises and how bad they were, but the CASA never asked the child about what happened. The important thing is **NOT** to talk with the child about the possible abuse. Again, it is the DCFS Investigator who will question the child. If you have any questions about this, feel free to call your case manager (Taryn, Marie or Terry), or call Roseann.

Spring, 2012, Training

Included with this newsletter is the tentative schedule for the upcoming Spring Training. The days and times and locations will not change. We haven't yet confirmed with all the speakers so there might be a couple of changes in the subject matter of one or two of the classes. If you wish to attend a specific class, call the office to confirm that the class is held as indicated on the enclosed schedule. Remember that these classes count toward your ongoing training commitment. Also, they are a very good review and it is very helpful to the trainees to speak with experienced CASAs. Hope to see you there.

SAVE THE DATE! April 24, 2012

On Tuesday, April 24, 2012, at **12:15 — 12:45 PM**, in front of the Criminal Justice Center (corner of State and Winnebago Sts.), there will be a program to call attention to child abuse and domestic violence. April is child abuse prevention month. In recognition of this, Judge Rosemary Collins, chair, and the rest of the 17th Judicial Circuit Court Family Violence Coordinating Council, have sponsored the **"Hands around the Courthouse"** event for the last several years. We would love to have CASAs participate. We will send you more information as details are confirmed. Hope to see you there.
