# CASA Newsletter

A Better Life for Every Child

August 2014

## Fun Activities to do with your CASA kids!

Here are some great ideas of fun things to do when you visit with your CASA children:

\*Find out what sports they enjoy playing and play with them.

\*If you are a coach of a certain sport or really enjoy playing a sport, try teaching that child a your sport.

\*If your CASA child is working on homework during one of your visits, have them teach you what they are working on. (this builds rapport and allows you to see where they are developmentally)

\*Bring art supplies and do crafts together.

\*Bring a favorite movie or game to do together.

\*If the child has chores, have them show you how to do the chores, sometimes you could even help them with the chores. Teamwork!

\*Go for a walk outside or see if the foster parent is willing to bring the child to meet you at a park or other fun outdoor activity. ( The first Tuesday of every month Klehm Arboretum is free. The third Thursday of every month at the Anderson Japanese Gardens is free. The Rockford Art Museum is free every Tuesday from 10-5

\*Read a book with your CASA child or have the foster parent meet you at the

library to pick out books together.

**Engaging in play is a great way to build your relationship with your CASA child. Anytime you can find a common interest it helps strengthen the bond between the CASA and child. You don't always have to be speaking directly with your CASA child to gather information that will be helpful for court.**

**Remember to always take an interest in what your CASA child likes to do. Giving these children the feeling that they are special is important, it doesn't matter how we go about it.**

## From the CASA Office:

Fall is in the air! Football is back on TV, the kids are in school, and the leaves are dropping from the trees! This is my favorite time of year so there is an extra big smile on my face these days.

We have a FULL month ahead of us. With school starting up again, I know I will see many of you in the office waiting for court. Please keep in contact with your CASA kids through their school administrators for the updated info on the children's progress. The Judges rely on you for the most accurate information.

Please stay on the lookout for a notice coming from our Training and Retention Coordinator, Cassandra Richardson, about updating your Mandated Reporter Training. Also, Cassandra has been busy putting together some incredible In-service trainings for all of you. These trainings came specifically from your requests. This month's schedule will be sent out shortly!

As you know, CASA is a non-for-profit organization. We do not receive federal funding. We rely solely on donations from our generous community supporters

to operate. Our annual appeal will be mailed out shortly. Some of you are included on this mailing. Please do not feel pressured to donate. We believe the time, energy, and service you give to your CASA children is donation enough. However, if you would like to donate please feel free. Our Board of Directors work very hard to raise over \$200,000 to keep our program growing and helping our children find safe and permanent homes.

Thank you for your dedicated service!

We want to **thank** and **recognize** the CASAs who closed a case during the month of August.

A CASA's dedication to the children they represent is greatly appreciated, and we are confident that efforts on behalf of these children will reap many benefits for them in the future.

### **From your Advocate Rep:**

Hello again,  
Here it is, the end of August, Labor Day in a few days. A beautiful summer it has been and a busy one! But busy is good. I would rather be 'busy' than standing around, wondering what to do next. Have we had enough rain? I guess for some areas, but not for others. So we just roll with it. What choice do we have?

Did we not have a wonderful time at the **Volunteer Appreciation Dinner**. It was great to see so many advocates there, especially if you've not seen them for a while. Then all the other guests made the night a 'grand affair'. We applaud Raquel for giving us an outstanding message about CASA. Any of us listening to her could feel her words, knowing she was speaking from her heart. Thank you Raquel!! Also, thank you for securing a spot for CASA at the Black Family Reunion. I had a grand time telling anyone who would listen about CASA. We had at least seven to sign our sheet

and gave out two applications. Again, thanks to Raquel and **Outreach**.

Again we thank Taryn and everyone in the CASA office for the work they do to keep our program operating at the highest level. We give a special 'Thank you' to Taryn for the Advocate Update Training session. No matter how long we have been an advocate, there is always new things to learn and others areas where we need to be refreshed. So thanks again. Read your **NEWSLETTER**. It's filled with important dates and valuable information and good recipes. Don't forget the **'Must Do's as a CASA'**.

Food for thought:  
"There can be no keener revelation of a society's soul than the way in which it treats its children."
